SUMMARY

I am a dynamic and detail-oriented B.Sc. Computer Science graduate with a GPA of 8.9 and hands-on experience in UI/UX design, object-oriented programming (Java, C#), and full-stack web development. I have proficiency in ADO.NET, SAP Crystal Reports, MySQL, and Oracle, and am adept at designing and deploying data-driven applications. My strong communication skills contribute to my ability to build real-world projects and deliver impactful presentations
